

YAROSLAVA NAHORNA

Junior Software Developer

yaroslava.nahorna@voco.ee | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

ABOUT ME

Motivated second-year Software Development student with hands-on experience in modern web technologies and a completed internship in a professional development environment. Strong foundation in frontend development with React and TypeScript, combined with basic backend knowledge. Known for discipline, fast learning, and adaptability, with proven ability to work in a team and deliver real project components. Actively seeking an internship or junior developer role to grow technical expertise and contribute to impactful projects.

EDUCATION

2023 - present

Tartu Vocational College, Estonia

Software Development (EQF Level 4)

Developing full-stack applications using JavaScript, TypeScript, React, and Node.js. Designing responsive user interfaces and improving user experience. Working with relational and NoSQL databases (PostgreSQL, MongoDB). Applying version control (Git) and collaborative development practices. Participating in practical projects and hackathons.

PROFESSIONAL EXPERIENCE

Jun – Aug 2024

ELEKS | Estonia

Software Developer Intern

Collaborated in a real-world development team environment under mentorship. Developed a reusable tooltip component using React and TypeScript. Strengthened understanding of component-based architecture and frontend best practices. Gained hands-on experience with Git version control and team workflows. Worked with modern development tools including Yarn and dependency management. Improved communication and teamwork skills in an agile-like environment.

TECHNICAL SKILLS

Frontend

HTML, CSS, JavaScript, TypeScript, React, Responsive Design, Material UI, Tailwind CSS

Backend & Databases

Node.js, Express.js, REST APIs / CRUD, PostgreSQL (basic), MongoDB (basic), Supabase, Appwrite (BaaS)

Mobile Development

React Native, Expo, Cross-platform development

Programming Languages

JavaScript, TypeScript, Java, Python

Testing & DevOps

Docker (basic), Selenium, Playwright, Cypress, Postman

Tools & Design

Git, GitHub, Git Flow, VS Code, IntelliJ IDEA, WordPress, Webflow, Figma, Canva, Blender, Adobe Photoshop & Illustrator

SOFT SKILLS

- Rapid Learning
- Teamwork
- Analytical Thinking
- Organization & Time Management
- Attention to Detail Thinking
- Creativity
- Problem Solving

LANGUAGES

- Ukrainian (Native)
- Estonian (Upper-Intermediate)
- Russian (Full Proficiency)
- English (Upper-Intermediate)

INTERESTS

- Sport
- Reading
- 3D modeling
- Painting
- Dancing
- Traveling
